

Device and technology acceptable use agreement for KS1 pupils

At Lawn Primary and Nursery School, we know that using technology is an important part of your learning experience. We want everyone to be able to use technology, like the internet and laptops, but it is important that you are safe when you are using technology.

This agreement will set out the rules around using technology and devices, such as laptops and tablets, when you are at school.

We would ask you to read and discuss this with your child. If you have any questions about anything in this agreement, speak to your teacher.

- We only use the internet, or apps, when an adult is with us
- We can click on the buttons or links when we know what they do.
- We can search the Internet with an adult.
- We always ask if we get lost on the Internet or see something we don't like.
- We can send and open emails with an adult.
- We can write polite and friendly emails to people that we know.
- We DO NOT share our personal information or passwords with anyone.

The school's motto with regards to online safety is Zip it, Block it, Flag it.

ZIP IT

Keep your personal stuff private and think about what you say and do online.

BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.
