18th November 2024

Dear Parents/Carers,

Sharing and celebrating learning is something we value at Lawn Primary and Nursery School. We would like to give you more opportunities to do this throughout the academic year, starting with a Book Look after school this term.

On Tuesday 3rd December there will be an opportunity to look through your child's books in their classroom between 3.00pm to 4.00pm, please drop in at any point during this session. Your child will collect their books, and you can spend some time with them looking at their efforts in all subjects, sharing their success and pride with activities and learning in school.

Whilst a teacher will be present in the room, the Parent Consultation evenings are the forum to discuss your child's achievements and behaviour.

If you are unable to attend this time but would like to see your child's books there will be another opportunity for you to come in at a later date, so please do let your child's class teacher know if this would be of interest.

We warmly encourage you to take the opportunity to come into school and look through your child's work with them. It's a wonderful way to engage with their learning journey and celebrate their progress together. By reviewing their books, you not only gain insight into what they are learning, but also show them how much you value their efforts.

We hope this shared experience will be a positive one for both you and your child, fostering a sense of pride and accomplishment while also building a deeper connection between home and school. Your involvement plays a key role in their success and development!

Yours sincerely

Mrs Lindsay Wood
Headteacher
