

### Year 3 Homework Grid Term 6

Our homework this term is based around our **Geography unit: Settlements** Below is a list of possible homework ideas you are invited to create with your child over the next term. We would expect at least 4 pieces of homework to be completed each term. There will be an opportunity each Friday for your child to share any work they have produced in class.

<p><b><u>Maths</u></b> Survey the types of buildings in your local area and present your findings in a bar chart or pictogram.</p>	<p><b><u>History</u></b> Research how the arrival of the railway helped Swindon grow from a small settlement into a large town. How did Swindon Change?</p>	<p><b><u>Health and Well-Being Task</u></b> Design a poster explaining how members of a community can help make a settlement a better place to live.</p> <p>Plan a walking route around your local area and identify important landmarks along the way.</p>
<p><b><u>Art</u></b> Bird's-Eye View Settlement Create an aerial picture showing roads, houses, shops and green spaces as if viewed from above.</p> <p>Then and Now Artwork Split a page in half and show how a settlement looked in the past compared to today.</p>	<p><b><u>Map Task</u></b> Create a map of a settlement in Swindon. Include human and physical features, a key and compass points</p> <p>Investigate why Swindon developed where it did. What made it a good place for people to settle?</p>	<p>★ Super Challenge Become a Town Planner! Design a brand-new settlement for 500 families. Include:</p> <ul style="list-style-type: none"><li>Homes</li><li>Shops</li><li>School</li><li>Green spaces</li><li>Transport links</li><li>Leisure facilities</li></ul> <p>Explain why you have chosen the location and layout.</p>
<p><b><u>Design Technology/ ICT</u></b> Design and build your dream settlement. Include everything that people would need to live happily.</p>	<p><b><u>Music</u></b> Compose a soundscape representing sounds you would hear in a village, town or city. This could be from any period of time or showing how places have changed over time.</p>	<p><b><u>Scientist of the term: Lonnie Johnson</u></b></p> <p>Our last scientist to be looked at this year is What information, facts or stories can you find out about this person. This American inventor invented something by mistake!!</p>
