Year 5 Homework Grid- Term 2

Our exciting new term is based around our **geography unit: Climate and Biomes**. Below is a list of possible homework ideas you are invited to create with your child over the next term. We would expect at least 4 pieces of homework to be completed each term. There will be opportunities each week for your child to share any work they have produced in class. Each piece of homework brought in will earn your child 1 Dojo point, with more availble based on effort. We will share super pieces of homework on class Dojo.

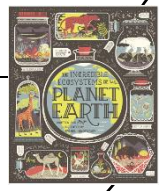

Try a climate quiz!

Baking As we are coming up to Christmas, could you bake a traditional Christmas treat? Here are some suggestions. Christmas recipes Feel free to bring in some of your delicious creations or you could take some photos or write up the recipe.	**Writing** Create a travel brochure for a biome of your choice. Be creative as you can be and come up with things to do, what to pack, what you will see, and how much it will cost. You could print pictures from the internet or cut them out of national geographic magazines.	**Mental Health and Well-Being Task** Be inspired by nature and go for a walk. As you walk try to spot 5 things you think are beautiful and tell someone about them. Write them down and share them with us 
Art Choose a biome and select an animal which makes its home there. Can you draw a picture of your animal. There are many 'how to draw a …' tutorials on youtube.	**Map Task** Can you mark on a map the different biomes? Ask your teacher for a blank world map if you don't have one.	**Read** Why not spend some time in your local library? Here are the addresses of the libraries in our local area. **Park Library** - Cavendish Square, Park, Swindon, SN3 2LZ **Old Town Library** - Arts Centre, Devizes Road, Swindon, SN1 4BJ **Central Library** - Regent Circus, Swindon, SN1 1QG
D/T Create a 3D model of a biome of your choice inside a shoe box or cereal box. 	**Music/Poetry** Choose a biome and write an acrostic poem which illustrates its features. For example: T U N D R A	**Research** Choose a biome to research and write down your three favourite facts to share.

The National Geographic Kids magazine is a really interesting read.

A lovely book on this topic is: The Incredible Ecosystems of Planet Earth
