Year 3 Homework Grid

Term 2

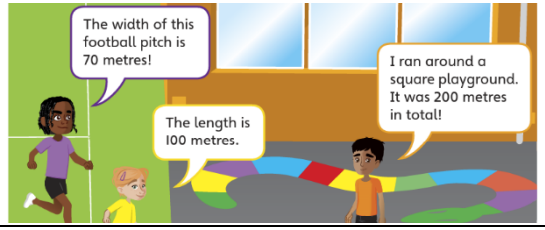

Our exciting new term is based around our **geography unit: Where in the World…The United Kingdom.** Below is a list of possible homework ideas you are invited to create with your child over the next term. We would expect at least 4 pieces of homework to be completed each term. There will be an opportunity each Friday for your child to share any work they have produced in class.

Use the interactive map to learn more about the UK

https://mrnussbaum.com/united-kingdom-interactive-map

Maths

What is the perimeter of the football pitch?
What is the length of the playground?

Writing

- Create a leaflet advertising a place of interest. This could be in Swindon- Coate Water, Lydiard Park, the STEAM museum or further afield but in the UK. Link this to the research task if you wish 😊
- Create a photo diary of a place you visit. Write a recount of what you did there and what you saw.

Health and Well-Being Task

Spend time in the great, British outdoors! Keep a log of how many hours you have spent exploring.

See https://www.1000hoursoutside.com/ for more information about the 1000 hours outside initiative.

Art

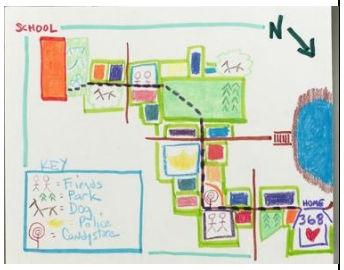

Look closely at some of the River Thames series of paintings by the French artist Claude Monet, thinking particularly about his use of light and colour to create an impression.
Learn some facts about the life and work of Claude Monet.
Mix and match colours from Monet's work and record this in your homework book.

Map Task

Draw a map of your journey to school.

Could you create your own key?

Read

Read one of these traditional tales and complete an activity.

https://learnenglishkids.britishcouncil.org/category/topics/british-tales

D/T

- Great British Bake off!

Follow a recipe to bake/make a traditionally British delight! This could be a scone, classic Victoria sponge or a Cornish pasty! Take a picture of your masterpieces!

- Make a model structure of a famous building in the UK. Take a picture of your masterpiece!

Music

Research a popular British song. Listen and appraise:
Where would you use this music? …
Think about who wrote the piece of music. …
Can you feel the beat for the music? …
Can you identify any voices or different instruments in the music? …
Can you find out more about this musical style of the piece of music?

Research

The scientist of the term is Alan Turing. He was a code breaker during World War 2. Find out about his achievements and why he is remembered.
You could create your own secret code and write your teacher a message.
